The Society's Surveyor at Gibraltar.

Original letter with "S" Department.

Vessel's Name Gandara

We are very busy here this week end, owing to a fog in one night three vessels went ashore. The "ANARELLA" and "ANTEO" have arrived for docking and repairs. SS. "OOSTZEE" I hope will soon follow, these plus "GANDARA" and "ESPANA" No.5 in drydock and P.S. "ELVIRA" extensively repairing afloat will keep me going for some time, now the "NICOLAOS PATERAS" is just coming in.
