Dear Sir,

The s.s. "ISLAND QUEEN", Messrs. The Burntisland B. Co.'s Yard No. 180, has completed sea trials at Burntisland, and has now proceeded to London.

The dynamo governor was not working satisfactorily during trials, and it was stated that this matter would be attended to on the vessel's arrival at your port, which is expected to be on Monday the 7th instant.

A report on the electric installation of this vessel will be forwarded in due course.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS.
