

FREEBOARD REPORT of the

(Late Danish) 'Irene Maria'

It is submitted freeboard certificate and copy be forwarded to
 the ~~Lt.~~ ^{Surveyor} ~~Surveyor~~
 for issue when

the annual load line survey has
 been carried out, the winter north Atlantic
~~the~~ ^{the} winter load line has been amended
 on the ship's sides to agree with the certificate
 and the freeboards and markings verified.

Particulars of the closing appliances
 fitted to the openings in the end bulkheads
 of the superstructures and the gross
 tonnage should be inserted on the certificate
 & copy before issue and this office
 advised.

The Surveyor should be informed that
 the issue of British Certificates for ex-
 Danish ships is dependent on annual survey
 being carried out & their presumption is correct.
