26th November, 1937.

Dear Sirs,

S. I have to acquaint you that the Society's Surveyors at Antwerp state the steamer "IRENE MARIA" is proceeding to your port presumably for boiler repairs and that they have fully advised you as to how the case stands.

Your report on the case is accordingly awaited, but I think it well to add that, as caustic embrittlement is suspected, samples of the material, soda and salts are being investigated in this Country.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

ROTTERDAM.
