H. Dear Sirs,

S.S. "HURUNUI". (RMC).

I beg to confirm the telephone conversation today in regard to a survey held at Liverpool on the Refrigerating Machinery of this vessel, and to point out that the after machine will require to be surveyed before the vessel proceeds on her outward voyage.

It is understood from you that the vessel will proceed to Newport, Glasgow and Liverpool, finally sailing on the 1st proximo, and the Society's Surveyors at these ports are being advised accordingly.

I shall be obliged if you will kindly arrange for the matter to receive the necessary attention.

I am, Dear Sirs,

Yours faithfully,
