I am favoured with your letter

of the 9th instant relative to the steamer

"GRAICWEN", and having placed the case before

the Committee at their meeting today, I have

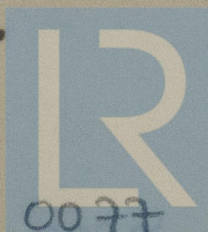

to say that they will not object to the

Screwshaft Survey of this vessel being

postponed until she is drydocked in January next.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.Messrs. Idwal Williams & Co.,
