WOKINGHAM.

Dear Sir,

s.s. "GIANNOULIS GOUNARIS".

We thank you for your letter of the 15th instant with enclosure, and contents noted.

The vessel is expected to finish discharging at Cork on the 21st March, and arrangements have been made for her to proceed direct to Newport for the purpose of the requisite inspection. She is going to Messrs. C.H. Bailey's Inside Drydock, and no doubt you will give the necessary instructions to your Surveyor.

The Owner proposes to carry out the Boiler Survey at the same time, whilst so far as the Load Line Certificate is concerned, our superintendent has been acquainted of the facts.

Yours faithfully,

FOR J. P. HADOU LIS LIMITED.

(Sgd.) C.L. Rose,

Secretary.
