Enclosure.

28th June, 1940

Dear Sirs,

I enclose herewith copy of a letter dated the 22nd instant which has been received from the Society's Surveyors at West Hartlepool with regard to the load line marks of the steamer "HALLAND." In this connection I have to say that no opportunity was afforded whilst the vessel was in the Rochester district for the marks to be verified, and it is understood that the vessel is now proceeding to the River Tyne.

I shall therefore be glad if you will kindly give the matter the necessary attention.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
NEWCASTLE.
