Dear Sirs,

3/8 "HANNAH".

The above steamer was measured in Hull for her new loadline certificate in November of last year. The "HANNAH" is now laid up at Malmo and the Captain informs us that the new marks have now been cut into the vessel and seen by your Surveyor.

No certificate has yet been received, and since vessel is owned in Sweden this will doubtless be issued by your Gothenburg office. Will you please let us know whether we should write Gothenburg direct or if you can send them a reminder.

Thanking you,

We are,

Yours faithfully,  
For W. TULLEY & CO. LTD.

J. O. Smithers.

Secretary.
