# Lloyd's Register of Shipping.

Port LONDON,

20th March, 1940

This is to Certify that I have

Surveyed the Steamship "HENRICA" 420 tons gross of Rotterdam as  
she lay afloat in London Dock on the 20th March, 1940 on account  
of damage stated to have been caused by collision with the Steam-  
ship "LORCA" whilst lying at anchor off Gravesend,  
and that I have transmitted to the Committee of Lloyd's  
Register of Shipping, London, a Report, stating that all repairs  
recommended by me have been completed to my satisfaction, and  
in which that I have Recommended that she be continued as classed,  
viz. @ 100 A1, without fresh record of survey, subject to shell  
plating and bulwark plating repairs on starboard side forward  
being effected at first convenient opportunity,  
being fit to carry dry and perishable cargoes.
