18th May, 1931.

Dear Sirs,

M.

With reference to your report No. 12262, in respect of the freeboards for the motorship "NEPTUNUS", Messrs. J. Smit en Zn., Yard No. 75, I have to request that you will state if sparring and ceiling are fitted in the hold of this vessel.

You should also verify the lengths of the poop and forecastle and bulwark, as the sum of the lengths given does not agree with the length on the waterline.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
AMSTERDAM.
