

FREEBOARD REPORT on the

*Harmodius*.

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval, subject to:-

- ① All airpipes on Freeboard Deck being increased in height to 36 inches
- ② the panelled wood doors in the machinery casing on the freeboard deck being replaced by steel doors capable of being secured closed from both sides.

Convention

Height.

10-6-32.

It is concluded that the lifelines in the after well are efficiently supported, but the Surveyor should state if this is the case.
