11th April, 1939.

Dear Sirs,

F. I beg to acknowledge the receipt of the Annual Load Line Survey report forms in respect of the "HERISLE" and "HERPORT", the contents of which have been noted.

With regard thereto, however, I shall be obliged if you will be good enough to inform the Surveyor for his future guidance that in no circumstances should the Load Line Certificate be endorsed until the survey has been completed and all necessary repairs have been effected and examined.

I am, Dear Sirs,
Yours faithfully,

Assistant Secretary.
