RETAIN

RETAIN

Particulars of any change from the conditions given on the Load Line Certificate or on Form C 11.

Two manholes have been opened on Bridge Deck, one on Port + one on Starboard side, for the purpose of trimming bunkers in Bridge Space. These manholes are closed by means of steel covering plates bolted to the deck.

For Comg Rpt J.H.B.

Certificate A. To be signed by Surveyor in respect of a partial or complete survey.

I have surveyed the ship named at the head hereof, to the extent indicated below, in accordance with the instructions contained in Board of Trade Circular 16 and the requisite details of the survey have been entered herein.

Index Nos. of items examined. †	Signature of Surveyor.	Place.	Date.
all	J.H. Campbell	Istanbul	21/3/1939

Certificate B. To be signed by Surveyor completing the survey.

I am satisfied

- (i) that the fittings and appliances for the protection of openings, the guard rails, the freeing ports and the means of access to the crew's quarters have been maintained on the ship in as effective a condition as they were in when the certificate was issued; and
- (ii) that no material alterations have taken place in the hull or superstructures of the ship which affect the positions of the load lines.

I have endorsed the Load Line Certificate and the certified copy as follows:—  
of seeing whether this Certificate should remain in force and the Survey has been completed to my satisfaction

I have surveyed this ship for the purpose of seeing whether this Certificate should remain in force and the Survey has been completed to my satisfaction
