

S.S. "HERPORT".

It is submitted the Hull Surveyors be informed that Mr. Fisher has called at this Office today, and it has been arranged that the freeboard certificates shall be valid until 15th April instead of 31st March.

New certificates are therefore being forwarded and the original certificates should be returned to this Office for cancellation.

It has also been arranged that the survey for reclassification will be completed on vessel's arrival at Istanbul.
