LONDON

Dear Sir,

s/s "HERPORT"

On behalf of our Principals, Messrs. Hercoal Shipping Co. Ltd, we wish to know if it will be possible to issue a Load Line Certificate for the above vessel, on the same lines as the one issued to the sister-ship s/s "HERISLE".

We understand that you have issued a restricted Load Line Certificate for this vessel for her voyage from Hull to Istanbul, owing to the fact that there are certain measurements etc. to be taken on the vessel's arrival at her Port of destination.

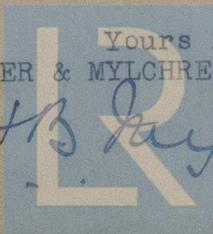

If you can see your way to granting this vessel a Load Line Certificate, we, on behalf of our Principals have been instructed to advise you that any work required by Lloyd's will be carried out at the earliest possible moment.

Trusting our application for same will be favourably considered,

We are,

Yours faithfully,
PEDDER & MYLCHREEST LIMITED.

Foundation

Phoned, advising that Mr. Hercoal is existing and nothing is being done meantime. J.B.
