Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

ENCLOSURES.

20th January, 1938.

Dear Sirs,

H.

I enclose herewith a copy of a letter dated the 20th instant received from Messrs. W.A. Crump and Son of this City relative to the steamer "FAIRPORT", together with the First Entry Report on this vessel, and have to inform you that to entitle this vessel's class to be re-instated in the Register Book it will be necessary for a 2nd Special Survey No.3 to be carried out.

At the same time I have to say that full particulars on Form C 11 for freeboard assignment should be forwarded, there being no particulars available in this Office.

The fee for the Special Survey for re-classification to be charged by you should be £60 covering hull and machinery but I have to ^{add} ~~say~~ that this fee does not include the statutory fee for the assignment of freeboard.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

HULL.

Clerk to the
Classification Committee.
