WILLIAM A. CRUMP & SON,  
LONDON.

Dear Sir,

HERCOAL SHIPPING CO LTD.  
S.S. "FAIRPORT" (to be renamed "HERPORT").

We act on behalf of the Owners of the above named vessel, the Hercoal Shipping Co. Ltd., who are desirous of having the vessel classified by your Society.

The vessel was due at Hull yesterday but at the time of writing we are not certain whether she has yet arrived, but we shall be glad if you will in the mean time instruct your Surveyors there to make the necessary arrangements with regard to Survey.

We would mention that Mr. David W. McGuffie of Glasgow is acting as our clients technical adviser and he will be communicating with your Hull Office with regard to the matter, as we think it is desirable that your Surveyors should go over the vessel with Mr. McGuffie. In the mean time, however, our clients will, of course, be responsible for any survey fees.

For your information Mr. McGuffie will be visiting Hull tomorrow, Friday, and we shall be glad if in the circumstances you would post your instructions up to Hull tonight.

Yours truly,

William A. Crump.
