LONDON. E.C.

Dear Sir

I hereby beg to acknowledge your letter of the 27th February also letter of the 24th February and enclosed confirmation letters dated the 6th 13th and 20th February for which I thank you, and all of which came to hand on Monday last.

I herewith enclose report and copy of certificate on New Denkey Boiler which has been placed on board the Barque "KILLORAN" in this Port recently. A Blue print is also enclosed with a letter from the shop from which the Boiler was supplied. I could not see the makers name on the steel employed in the construction, but Messrs Waugh & Josephsen state it is Siemens Martin Boiler steel.

Enclosed is report and copy of certificates for S.S. Nol survey of the Twin screw steamer "PELAN MAIN" which is now complete. Mr Heron having advised me by letter from SYDNEY what remained to be done on the arrival of the steamer in this Port.

Trusting that you will find the above reports and certificates in
