FREEBOARD REPORT on the Sailing Vessel "Killoran"

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval, subject to

1. the No. 1 hatchway being provided with covers, tarpaulins & battening arrangements as required by the Convention.
2. the bearing surface of the hatchway fore-and-afters being made reasonably in compliance with the Convention requirements, & these fore and afters being stowed at all bearing surfaces.
3. efficient means of closing being provided for the airpipes, if this is not already the case.

The freeboard as computed under the Convention being less favourable than the existing freeboards, the latter have been re-assigned.

As requested by the Surveyor the certificate should be sent for issue when the conditions of assignment have been complied with, & the freeboards marked verified.
