

POSTPONED SURVEYS.

Case of the S.S. "BOCA MAULE".

53247. in Reg. Bk. tons, Built

assed Owners.

Port of Registry

Survey Due. Validity of notation of "Examined 7.47" (8 months) expired 3.48 when a Special Survey and repairs were required.

Action has been deferred from time to time in view of the Owners' intimation that this vessel would be kept in service until the arrival of a new vessel when the "BOCA MAULE", if not sold, would be laid up.

A letter has now been received from the Valparaiso Surveyor stating he has been informed by the Owners that their new vessel will not be in operation until the end of the present month and that the "BOCA MAULE" will continue in service meanwhile.

The Surveyor states the Owners do not intend presenting the "BOCA MAULE" for further survey and they have been informed that it is being recommended to the Committee that her Class be not extended beyond the end of July unless presented for survey.

Submitted for the Consideration of the Committee
