QUESTION.

ANSWER.

Date:— **28th. August 1942.**

I shall be glad if you will  
certain from the Managers and  
t me know what arrangements are  
posed to be made for the  
iler Survey to be completed by the  
justment of the safety valves  
the auxiliary boiler.

*L.R.*

The Owners inform us that subject  
to it being found convenient, the  
Boiler Survey will be completed  
on the vessel's arrival at Port  
Said shortly.
