Dear Sir,

In reply to the enquiry contained in your Classing letter of the 11th instant regarding the case of the steamer "HOLYSTONE" our report No. 51055, we beg to acquaint you that this vessel is in good condition generally and it was considered that the "Examined" record could be granted for a period of 12 months, subject to the repairs enumerated being effected on vessel's return to U.K. in approximately one month's time from now.

It was stated that the vessel was urgently required and that labour was not available at the time to effect the repairs to the peak tanks or deep tanks.

We are, Dear Sir,

Yours faithfully,

The Surveyors,
