FREEBOARD REPORT on the S.S. "Litchworth".

It is submitted the Surveyors be requested to forward particulars of the length of the bulwarks on the Raised Quarter Deck forward of the side house and aft of the sidehouse.

The combined clear length of the plots in the bulwarks should also be given for the well and for <sup>each</sup> the two sections on the Raised Quarter Deck.

The Surveyors should report the thickness of the bulkhead <sup>plating</sup> at front of Raised Quarter Deck also the scantlings and spacing of the stiffeners.
