Hull, 19th April, 1932.

Dear Sir,

With respect to the Convention Freeboard assignment M.18.4.1932 for the steamer "LEO" owned by Messrs. Elleman's Wilson Line, Ltd., it is pointed out by the Owners that although the Convention Freeboard request form was filled in shewing that it was intended to carry, on occasion, timber deck cargoes, the application was not intended to include the assignment of a "timber load line".

We shall be glad to be informed of the modified requirements in these circumstances.

We are, Dear Sir,

Yours faithfully,

The Surveyors,

Per:-

The Secretary,
