Dear Sir,

S.S. "LEO" EX "SPES."

We enclose the original first entry report which you refer to in your letter of the 4th instant. This first entry report was slightly amended by the Glasgow Office and a fresh one made out in its place which you now have. We have no plans of this vessel and none were obtainable on board the ship. The plans that have been forwarded you were made by Ramage & Ferguson Ltd.

The enclosed first entry report, if you do not wish to retain it, you might kindly return to this Office and as it will form as a guide to what is required in future cases.

We are, Dear Sir,

yours faithfully,

THE SURVEYORS.
