30th December, 1920.

Dear Mr. Thomas,

I am very pleased to learn from your letter yesterday that your efforts in respect of the classification of the "SPES" have been so successful, and that you were able to pay an "unofficial" visit during her drydocking.

Our best thanks are most certainly due to you for the promptitude and persistence you have given to the case, and I trust that your success will be repeated in the case of the "EIDER".

With kindest regards, and heartily reciprocating your good wishes for the New Year,

A. T. Thomas, Esq.,

LEITH.
