

s.s. " SOUTHWICK "

It is submitted the freeboards given
on the accompanying form, being those required by the
Tables, merit approval, subject to:-

1. All ventilators and air pipes being provided
with efficient closing appliances.
2. The ventilator on the freeboard deck with 49"
coaming being efficiently supported.
3. Gangway, lifelines or other satisfactory means of
protection for the crew being fitted in the fore well.
4. The freeing port area in the fore well being
increased to 14 sq. ft. each side.
5. Handles on the steel doors on the foreastle bulkhead
being placed in good condition.

The Convention freeboards being greater
than the existing freeboards, the latter have been
re-assigned.
