Lloyd's Register of Shipping.

71, Fenchurch Street, E.C.3.

26th August, 1948.

Sirs,

I duly received your letter of the 18th instant regarding steamer "PORT SYDNEY" and in reply would point out that this vessel has a load line certificate valid until 28th February, 1951, and that only an Annual Survey becomes due on the 27th instant.

As you are aware three months grace is allowed for this extension, by which time she should have arrived in this country.

Yours faithfully,

Clerk to the
Classification Committee

Surveyors,
