Buenos Aires, 18th. August, 1948.-

Addressed to

THE SECRETARY  
LONDON.

Dear Sir,

" PORT SYDNEY "

The above vessel has been detained at this port for several weeks on account of the uncertain cargo situation, and it has been ascertained that the Freeboard survey becomes due at end of the present month. In view of the fact, that the vessel is overdue for Special Survey and that it would appear that the Owners may not intend to employ the vessel much longer, it is proposed that the freeboard certificate be now endorsed for a period of say 2 or 3 months to enable vessel to arrive at United Kingdom. Please reply by return Air Mail if this proposal meets with approval.

Annual  
old survey  
due 27/8/48

Yours faithfully

The Surveyors.
