

Lloyd's Register of Shipping.

MERCHANT SHIPPING (SAFETY AND LOAD LINE CONVENTIONS) ACT, 1932.

RENEWAL SURVEY IN ACCORDANCE WITH SECTION 48 (4) OF THE ABOVE ACT.

(Port) Newcastle-on-Tyne
(Date) 10th July 1934.

I have to report that I have surveyed the Steel Sc.
HAMSTERLEY of Newcastle O.N. 148114
on this date.

I have compared the arrangements on board the ship with those given in the Newcastle Copy of original freeboard report and I have found them to be in agreement therewith or equivalent thereto, and the whole to be in efficient condition.

Vessel surveyed on Pontoon whilst undergoing Special Survey No. 2, which will be completed this week.

The freeboard marking has been verified and found to agree with the freeboards given on certificate No. 5408 dated 6th November 1933 which is returned herewith.

Alex E Stevenson
Surveyor to Lloyd's Register.
