Dear Mr. Montgomerie,

Reverting to my letter of yesterday's date in regard to the case of the ex-German Steamer "WOLFSBURG" , it is observed that the vessel has been lying at Falmouth since February 19th, and I shall therefore be glad if you will kindly ascertain and let me know when Mr. Hogarth would like us to commence our survey.

Yours faithfully,

J. Montgomerie, Esq., D.Sc.,

GLASGOW.
