Dear Sirs,

S.S. "JEVINGTON COURT".

We have your letter of the 24th instant for which we are obliged, and note what you write in regard to the description of this steamer in the Society's Register. It has been pointed out to us by prospective Charterers that as the entry stands at the present moment, it is incorrect and misleading. In the circumstances, therefore, if it would not be putting you to any inconvenience we should very much like the alteration carried out at once, and thank you for your offer to do this.

Yours truly,

For
