

S.S. "JEVINGTON COURT"

This vessel is of the complete superstructure type having tonnage opening, recently completed by Messrs. Workman, Clark & Co. for Messrs. Haldin & Co. Ltd.

The Owners recently wrote in, drawing attention to the fact that the vessel was entered in the Register Book as having two decks, whereas she has one deck and shelter deck, and requesting alteration to be made.

In accordance with the Committee's ^{Recent} decision the nomenclature of the decks in this vessel, and in all similar vessels of this type, will be amended to "1 dk & shelter dk."

A list of the cases already in existence, approximating to about 300, is being prepared so that the amendment may be made in all cases at the same time.

As new cases are completed, the record of decks in accordance with the Committee's Minute is being made.

It is submitted Messrs. Haldin & Co. be informed that the alteration suggested by them is now being made.

Let. Own. 24/12/25.
