71. Fenchurch Street, E.C. 3.

1st February, 1934.

Dear Sirs,

With reference to my letter of today's date relative to the Boiler Survey of the steamer "TRITON", I have to acquaint you I am advised it is also the Owner's intention to carry out the survey for the assignment of Convention freeboards at this time, and I shall be glad if you will be guided accordingly.

An extract of particulars taken from the previous freeboard report on the case is being sent to the Society's Surveyor at Dublin, and he is being requested to forward the same to you should the survey not be held during the vessel's stay in his district.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

BELFAST.
