Lloyd's Register of Shipping,

ENCLOSURES.

24th July, 1939.

Dear Sirs,

With reference to my letter of the 22nd instant in connexion with the s.s."TRITON", I now enclose a short term Load Line Certificate for this vessel for issue when you are satisfied that the condition of the ship is satisfactory for the voyage to Italy.

I have to say that a Periodical Load Line Survey was held at Buenos Aires in November last, and your survey should be reported to this Office on forms Cl1(b) and Rpt.Cl2(a), in duplicate.

The Rpt.Cl1 is enclosed for your guidance.

The port of registry should be inserted in the Certificate before issue and this Office advised of the same.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
MANCHESTER.

Assistant Secretary.
