Bordeaux, 11th. May 1934.

Dear Sir,

I beg to inform you that the Master of the steamer "BOGO" called at this office to-day and advised me that the vessel is proceeding from Bec d'Ambès to-morrow to Dover for orders.

It is expected that the vessel will be dry docked in the United Kingdom at some port on the East Coast where the boiler survey will also be dealt with.

The Owners propose to mark the timber freeboards and comply with the conditions of assignment whilst the vessel is in dry dock.

I am, Dear Sir,

Yours faithfully,

THE SECRETARY,
