Dear Sir,

With reference to the Convention freeboards for the Danish steamer "BOGØ", we beg to inform you that the owners have decided to mark on the vessel's sides the freeboards for dead-weight only and leave the marking of the timber freeboards to a later date. The marking of the freeboards and the alterations required will be carried out at Bordeaux and a letter as per enclosed copy has therefore been forwarded to the Society's Surveyors at that port.

I am, Dear Sir,

Yours faithfully,

*H. Jith Lydersen.*
