Communications to be addressed  
TO THE SURVEYORS,  
Lloyd's Register of Shipping,  
Copenhagen, K.  
cc

The Secretary,

Lloyd's Register of Shipping,  
London.

Dear Sir,

We have been requested by the owners of the steamer "BOGØ" - in order to obtain the Danish Freeboard for wood cargo and wood deck cargo assigned by the Ministry of Trade and Shipping - to supply them with the following particulars of the computation of the Freeboard assigned by this Society to that vessel, namely:-

1. Ordinary summer freeboard in salt water.
  - a) corresponding summer freeboard if a complete super-structure were fitted,
  - b) effective length of erections.
2. The length outside stem and sternpost measured on the load-line.
3. Extreme breadth outside shellplating.
4. Depth of hold, corresponding to Underdeck tonnage.
5. Depth moulded.
6. Depth of framing.
7. Sparring.
