Manchester, 15th March 1920.

The Secretary
London.
Sir.

With reference to my 1st entry
report n^o. 4536 on the engine n^o. 71 built
by the Manchester Dry Dock Co. Manchester
and intended to be fitted on the new
coasting vessel "DEVERON" built by the
Manchester Dry Dock Co., Ellesmere Port.

As the machinery is to be installed
on board at Ellesmere Port I shall be
glad to learn what proportion of the
fees (1st entry £1-0-0, fee £7-16-0, total £8-16-0)
should be charged at this port.

I am, Sir,

Yours faithfully
A. Campbell
