Chief Ship Surveyor

Received from Chief Ship Surveyor

NAME

Steel S. S. Motor Vessel "Heisen" Rpt. Xia No. 2537.

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/3/92.)

Survey

First Entry.

It is submitted the Christiania Surveyors be requested by wire to forward the approved plans of midship section and profile for dealing with this case, as no copies of these plans are in the London office.

It should be pointed out to the Surveyors that in future similar cases the approved midship section and profile plans should be enclosed with the First Entry Report.
