Received from Chief Ship Surveyor

12 FEB 1940

VESSEL'S NAME "FLANDRES" Rpt. Ant. No. 23131

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement. —Extract from Sub-Committee's Report, 24/5/42.)

The Antwerp Surveyors report the vessel afloat and ~~that~~ 2 lengths of chain cable ~~have been~~ taken from this vessel to replace equipment lost from one of the same Company's vessel's.

The lost equipment has been recovered and ^{this} 2 lengths of chain cable have been retested and placed on board.

It is submitted the vessel appears worthy to remain as classed without record of survey.
