Dear Sirs, S.S. "GRIEFFENFELS". O.N. 143115.

We have been notified by the Board of Trade that the
load line certificate dated May 2nd 1919 is no longer valid as
the period of time for which it was granted has expired.

The vessel is now at Belfast discharging a cargo of
grain and we shall be obliged if you will ask your surveyors in
that port to again survey the vessel with a view to granting the
new Freeboard certificate that is required. The present certifi-
cate is on board the vessel and would be handed to your surveyor
for inspection by the Captain.

Yours faithfully,

for WILCOX BROS:

Paul H. Holmes
