# Lloyd's Register of Shipping.

Port BAHIA BLANCA

14th April 1949

**This is to Certify** *that I have*  
*Surveyed the* steel screw steamer "JAMES CLUNES" 5790 tons net  
 register of LONDON, whilst afloat and alongside at Galvan Port,  
 Bahia Blanca, on 8th April 1949 and subsequent dates, for leak  
 in bottom shell plating,-----

*and that I have transmitted to the Committee of Lloyd's*  
*Register of Shipping, London, a Report, stating that all repairs*  
*recommended by me have been completed to my satisfaction, and*  
*that I have Recommended that she be* continued as classed,  
 of the shell plating and the necessary permanent repairs being  
 carried out at the earliest convenient opportunity. Also subject  
 to all other conditions attached to the vessel as previously  
 recommended-----

dry and perishable cargoes-----  
 being fit to carry-----

*Acting*  
 Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—  
 "While the Committees of the Society use their best endeavours to ensure that the functions of the Society are  
 arily executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any  
 instances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its  
 eyors, or any entry in the Register Book or other publication of the Society or for any error of judgment, default or  
 gence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society".
