

S/S "CULLIN SOUND"  
-----

This is a 'C' Type Cargo Vessel, Messrs. William Gray's Yard No.1171.

From the plans of the Third Deck supplied by the Admiralty, it would appear that a third deck is fitted as a series of flats, particulars as follows:-

<u>Hold.</u>	<u>Height above Base.</u>	<u>Tween Deck Height.</u>
No. 1.	17'-9"	9'-6"
No. 2.	13'-9"	13'-6"
No. 3 & 4.	18'-9"	8'-6"
No. 5.	19'-9"	7'-6"
No. 6.	21'-6"	9'-9"

The scantlings and arrangements as shown on the Deck plans are in accordance with the Rules for cargo decks, excepting for the deck in No.2 hold, where the tween deck height is 13'-6".

*principal*  
As the plans of this vessel and the First Entry Report are at present with the Greenock Surveyors, and the Deck plans now forwarded by the Admiralty are only prototype plans, it is considered that before the question of any additional strengthening in No.2 hold is investigated, the scantlings and arrangements should be verified and the plans and First Entry Report of the ship returned to this Office.
