18th April, 1921.

Dear Sirs,

With reference to your First Entry Report No.32449 on the Steam Trawler "RUDYARD KIPLING", it is noted that although the last date of survey in this case was the 9th February and the fees were paid on the 16th February and 2nd March, your report on the electric lighting installation has only now come to hand with a date of last survey 6th April.

I shall be glad to receive your remarks in this matter and you should at the same time state what steps have been taken as regards the fee for the survey of the electric lighting installation.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
HULL.
