Messrs. Lloyds Register of Shipping,

SUNDERLAND.

Dear Sirs,

Re: s.s. Nos. 282/283.

We have been in communication with Messrs. John Hastie & C/L., Steering Gear Manufacturers of Greenock in connection with Lloyds spares for steering gears of the Wilson Pirrie type, and they inform us that you do not specify any spares for these gears.

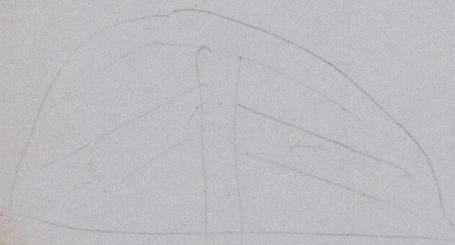

The Owners, Messrs. J. & C. Harrison Ltd., do not agree with that opinion and we should be glad to have your ruling on this point.

Yours faithfully,

FOR AND ON BEHALF OF  
BARTRAM and SONS LTD.

*Georgina Harrison*
