LONDON.

26th June, 1939.

Plan enclosed.

Dear Sirs,

Messrs. Bartram & Son's Yard Nos. 282/3.

With reference to your letter of the 9th instant submitting amended plans of Quadrant & Tiller for the above vessels, I have to inform you that the scantlings and arrangements as shown and amended thereon will be approved, provided they be carried out to the satisfaction of the Society's Surveyors.

I have also to inform you with reference to the second paragraph of your letter, that provided the condition of the two quadrants in stock referred to be found satisfactory by the Surveyors, no objection will be taken to their being used for the above vessels.

The Castings for the Tillers should be tested as required by the Rules, and I shall be glad if you will kindly state where they are to be made in order that a copy of the plan may be forwarded to the Local Surveyors for their information and guidance.

One copy of the plan is enclosed herewith and the remaining copies have been retained in this Office for record.

Messrs. John Hastie & Co.Ld.,  
GREENOCK.

I am, Dear Sirs,  
Yours faithfully,

Local Secretary.
