

Single Screw Steamers Nos. 282 & 283 proposed to be built by Messrs. Bartram & Sons, Ltd., with a view to class 100A1 "With Freeboard" (corresponding to C.S.S. Vessel). Owners:- Messrs. J. & C. Harrison, Ltd.

-----  
Rule Dimensions:- 428' x 58.2' x 38.25' to upper deck  
28.75' to second deck.  
-----

Plan of midship section submitted, in triplicate, by the Builders direct.

The scantlings have been discussed with the Builders' representative, and, as desired by him, one copy of the plan has been dealt with only for the scantlings of the double bottom, framing, bottom and side shell, and it is submitted the Builders be informed that the scantlings and arrangements of the above items as shewn and amended on the plan will be approved, provided they be carried out to the satisfaction of the Society's Surveyors.

They should be requested to forward an additional copy of the plan for final examination, in association with a profile plan which should also be forwarded.

The plan should be handed to the Sunderland Surveyors after noting.
