ENCLOSURES.

2nd July, 1920.

Dear Sir,

With reference to Glasgow First Entry Report No.40065 on the Steamer "MANGALORE", I have to acquaint you that careful consideration has been given to the request of Messrs. David Rowan & Co. Ltd., as regards the record to be made in the Register Book of the names of the Builders of the machinery and boilers, and I have the pleasure to say that as it would appear that the greater percentage of the machinery was made by Messrs. David Rowan & Co. Ltd., an entry will be made in Column 13 of the Register Book in this and similar cases as follows:

- 2 Steam Turbines geared to 1 Screw Shaft, 200lb.
- 2 DB & 2SB. 24 cf. GS 420. HSL9266 (r)
- D. Rowan & Co. Ltd. Gl.s.
- Turbines by Met. Vickers Elec. Co.Ld. Mch.

I enclose the First Entry Certificates of Classification herewith, and have to request that you will advise Messrs. D. Rowan & Co. of the above decision.

Yours faithfully,

The Secretary,
GLASGOW.
